Dear Pastor Larry Thomas,

Greetings to you in the wonderful name of our Lord and Savior Jesus Christ.

By the grace of God, on Saturday the 10th of May, myself and our Worship Team traveled to Bommasumudram area bordering Tamil Nadu and Andhra Pradesh, to preach at the Festival where hundreds and thousands of people from two different States gathered together for celebrations.

The highlight of the celebration was preaching of the Gospel of Jesus Christ in the evening. I was graciously blessed by the Lord to bring the attention of thousands of people (approximately four thousand) unto the Lord while me and the team worshipped with songs and music for 45 minutes and subsequently I preached for another 45 minutes from 8 p.m. to 9:30 p.m. This is the first time that the kind of Worship of this pattern took place in that area. I preached on the Grace of our Lord Jesus Christ and it was such a blessing to see hundreds of people being touched by the Word of the Lord and as I gave the Altar Call for submission, I was able to see hundreds of hands lifted up high towards heaven in confirmation of their submission. This was a wonderful result exhibited on account of the prayers, which was lifted on our behalf.

After the preaching of the Gospel, we had a play for 2 hours where the people stayed back to watch this wonderful late night performance by some brothers who volunteered and took part in this drama. The title of the drama was "Let us meet the Messiah." The people were really blessed and we were able to present the Gospel once again through this program.

God blessed our journey and brought us safe back home in the early hours of Sunday, to participate in the Sunday Morning Worship at our church. The Lord has been gracious to bless the two morning services at our church and we are able to see more people coming into the church on Sundays.

The Lord blessed us with a wonderful week of Children's Ministry. We had 600 children coming from the neighborhood who belong to different religious background learning about Jesus, singing about Jesus and talking about Jesus. The valedictory function of the Children's Ministry after 7 days where children from our 4 centers in KGF, gathered together in one place at the 'House of Prayer' and had a grand finale. We had a good turn out of parents attending the function to see their children perform choreography, sing songs and praising God. I think this is an achievement to have people in our church belonging to other religious faiths.

Thank you for all of your prayers on our behalf, which mean so much to us. God is blessing all our efforts and is giving us victory in all that we do for Him in the midst of oppositions and hurdles that come our way. Continue to pray for us as we for you.

Sincerely,

In Christ Jesus,

FRANK GODBERG.

Dear Pastor Larry Thomas,

I am thankful to you for all of your prayers. God's protection was upon us and we had a safe ministerial trip to Tirupathi, the Temple Town in Andhra Pradesh, and back home.

The Lord graciously used me and the team in our Branch Church at Durgasumudram in Tirupathi. At least 400 people gathered for the One Night Crusade. I was able to commence the breaking of the ground prayer meeting for the extension of the Church building as many souls are coming in, the local Pastor felt that they need to make more space for more people to be accommodated at one time.

Tuesdays, Wednesdays, Fridays and Sundays are the peak days where many people necessarily from Hindu religion come to this place for healings and deliverance. God has been doing wonderful things in this particular branch church. The local pastor and his wife are used by the Lord in the area of physical healing. Many stunning miracles have been taking place that has drawn many people unto the Lord.

The Lord allowed me to preach on Psalm 138, this was a blessing. After the service, almost 200 people came forward to be ministered personally.

By God's grace we were able to baptize 46 new souls from three of our Churches at one time on Sunday the 4th of May. This is a great blessing, is it not!!

This weekend I look forward to minister to at least 3000 people in the border of Tamil Nadu and Andhra Pradesh. I expect the Lord to grace us with many souls touched by the Word of the Lord. Your prayers mean a lot to us.

My son John Knox will be accompanying me in this venture.

All the children in our children's homes have passed their exams and are preparing to step into another academic year. Your prayers are needed for God to bless us to bless our children with their schooling needs. We love you and appreciate you for your prayers and concern for us.

Sincerely,

In His Service,

FRANK GODBERG.
